

A Day in French that you will long remember

Learning session that combines casual conversation in a foreign language (in a restaurant, finding one's way, etc...) and a more technical language that fits your corporate vocabulary

Your French in Town

- ✧ **French breakfast**
- ✧ **Morning All-in-French working session**

Taste the world-famous French baguette and Croissant while getting to know each other in French !

Morning devoted to practical full-immersion training session, led by a professional trainer, well acquainted with knowledge-sharing techniques..

Training will be led in adequacy with **your specific professional context**: the training sessions content will adapt to **your needs** and **requirements**..

Examples :

- ✓ Communicating over the phone or on a visio-conference call with you partners abroad
- ✓ Integrating interculturality in your professional exchanges : how to negotiate or to work with French, Swedish or German partners ?
- ✓ How to introduce oneself, one's business department or one's company in French ?

Your Town in French

- ✧ **French Lunch**
- ✧ **Afternoon Historical or cultural all-in-French visit of your town!**

After a lunch taken together (all in French of course !), discover your own town under a French light, to the sound of the French language!

A playful way to discover, or rediscover your own town while practicing French !

All training sessions can be led in German as well, and can be adapted to all levels of language mastery : from absolute beginner to an advanced mastery level.

The concept can be led in visio-conference from a distance : breakfast and lunch will be provided locally onsite.
